

Vacancy: 1 x Full Time Freshwater Operative
Location: Furnace Smolt Unit, near Inveraray, Argyll

Cooke Aquaculture Scotland is a leading company in the Scottish Salmon Industry producing exceptionally high quality products for an increasingly demanding market. We have operations throughout Scotland, Cumbria and the Northern Isles of Orkney and Shetland, together; we pledge a strong dedication to achieving a sustainable aquaculture industry.

We are currently seeking candidates to take on the position of **Freshwater Operative** at our **Furnace Smolt Unit**. As part of a small team, you will assist your colleagues in building strong key relationships and ensuring a safe working environment for all.

The Role:

The successful candidate will find themselves reportable to the Management Team for Furnace.

Qualifications/Skills required but not essential as full training can be given:

- At least 2 years' experience working in an Aquaculture Recirculation Unit
- Ability to participate in an Alarm Duty rota system
- Good understanding of the aquaculture industry
- Candidate must be flexible with regard to hours worked, weekend working will be required
- Be a good team player but have the ability to work alone when required
- Inter-personal and excellent communication skills
- Clean UK driving licence

The ideal candidate will be committed to achieving the best results in a challenging environment and delivering the highest standards of performance possible. In return, we offer a highly competitive salary, employer pension contribution, company bonus scheme and salary sacrifice programmes.

If you feel you have the necessary attributes to successfully fulfil this position and contribute to a progressive, results orientated company, then please send your covering letter and CV to krystal.flett@cookeaqua.com by 08 March 2018.
